RESOLUTION NO. 2015-8

Re: Transfer of a vehicle between ER&R and Fair Fund

WHEREAS, RCW 36.33A.020 authorizes the Board of County Commissioners to use its legislative authority to use or not use ER&R to manage vehicles assigned to departments other than the Road Department;

WHEREAS, a 1991 GMC pickup, license 16865C, VIN 1GTEK14H3ME518599, is currently in the ER&R Fleet Asset Inventory System assigned to the Fair; and

WHEREAS, the pickup has accrued \$25,658.18 in book value towards replacement; and

WHEREAS, the Board's intent is to have ER&R replace the pickup with a new pickup, withdraw the new pickup from the ER&R fleet and directly assign the new pickup to the Fair Fund; and

WHEREAS, the book value for the old pickup is not sufficient to purchase the replacement; and

WHEREAS, the Board may determine which fund to deposit the sale revenue from the old pickup;

NOW, THEREFORE

IT IS HEREBY RESOLVED that ER&R is directed to purchase a replacement vehicle for the 1991 GMC pickup, license 16865C, VIN 1GTEK14H3ME518599, utilizing the accrued book value; and

IT IS FURTHER RESOLVED that the replacement vehicle shall be placed in the County's Fixed Asset System assigned to the Fair Fund, not in the ER&R fleet; and

IT IS FURTHER RESOLVED that the 1991 GMC pickup, license 16865C, VIN 1GTEK14H3ME518599, is declared surplus and the Fleet Manager is directed to sell at public on-line auction with a reserve price of \$1,000; and

IT IS ALSO RESOLVED that the revenue received from the sale of the 1991 GMC pickup shall be utilized to fund the replacement cost of the new vehicle; any excess in funds received shall be transferred to the Fair Fund and any short fall in funding the total purchase cost of the new vehicle will be transferred from the Fair Fund to ER&R fund.

ADOPTED this 3rd day of March, 2015.
