

Pend Oreille County Coordination Meeting with United States Forest Service
Monday June 20th, 2016 at 2:00 pm
Commissioners meeting room

Coordination meeting with USFS regarding the LeClerc Grazing Allotment

Agenda

Discussion Items

1. Request for a workable solution: New proposed alternative by the permittee
2. Allotment Study request
3. Timeline for a determination

This is a government-to-government coordination meeting made possible by federal and/or state statute. It is an open meeting at which the public may attend and listen, but there will be no public comment period since it is a government-to-government meeting. If any member of the public has a comment, it can be made at the public comment period provided at the next regular meeting.
