Subject: Wasatch Rezone

Dear Mike and Planning Commission Members,

I am writing to state that I strongly oppose the 167 acre Wasatch rezone from a NR20 to a R5. A R5 rezone could possibly open this rural piece of land to commercial land use, Industries, RV Parks . Once the land gets the rezone, there is no guarantee who will own it or what plans are in the future. Please help to protect this rural piece of land from the wrong kind of development.

I have lived in this neighborhood for 50 years. There has been a lot of change but not all change is responsible.

Sincerely,

Becky Larson
