Hello Andy,

Thanks for taking the time to talk with me.

I wanted to voice my comment on the proposed cannabis grow permit #CUP 17-001. I am against this. My property is next to this lot. I do not need this next to my house or livestock. There are children that live across the street and a public park behind this property. I have lived in Pend Oreille County Since 1976 and I would hope that it does not become a place known for growing cannabis. We don't need this here. This area is great enough with out it.

Please keep me informed of the progress of this and if there is any thing I can do.

Thank you,
