Dear Chairman Nenema:

We, the Board of Commissioners of Pend Oreille County, wish to express our gratitude to the many individuals who assisted the County Public Works Department recently on the LeClerc Road/Mill Creek flooding event.

With the recent weather activity contributing to excessive standing water, spring runoff, and deteriorating roads, Pend Oreille County is in a state of emergency. We are very appreciative for the support provided by tribal members for traffic control and repair equipment.

Thank you again.
