

Beware Telephone Scam Alert

We are hearing from customers that phone scammers are targeting our taxpayers. A caller identifies themselves as being with Pend Oreille County warning customers that they owe delinquent taxes. They are demanding payment over the phone. The calls are from a 1-800 number, which our office does not have.

If you are ever suspicious about any call or communication, feel free to check with the Treasurer's Office at 509-447-3612.
