## Neighborhood Cooperative Weed Management 2022 Application for Cost-Share Assistance

In order to promote increased landowner involvement in controlling noxious weeds, the Pend Oreille County Noxious Weed Control Board is offering the Neighborhood Cost Share Program for 2022. Individuals and Neighborhood groups have several options under an Integrated Weed Management program to implement noxious weed control on their properties.

### YOUR RULES

- ★ **All groups must apply regardless of having participated in previous years.**
- ★ Please establish a group leader and include contact information on the application.
- ★ If you need to know, please call to confirm we accepted your application.
- ★ Plan to pick up materials on the dates specified below.
- ★ **If you cannot make the scheduled pick up dates, please call to make an appointment.**
- ★ Past participants who have **NOT** turned in their work report must do so to be eligible, even if no work was performed.
- ★ Take **“before”** and **“after”** pictures, using a fixed **photo point**, of weed management activity areas and turn in with **work report**.
- ★ Work reports must be turned in with an original receipt for applicants approved for reimbursement.

### OUR RULES

- ★ **All applications are processed on a first come, first served basis until funds are expended.**
- ★ We have equipment available to rent, backpacks and slip-in 100-gallon tank sprayers.
- ★ Product purchased for weed management costs up to caps of **\$200** for an individual applicant, \$500 per group of 2 or more landowners and \$1,000 for a homeowners' association.
- ★ Products purchased from us are priced at a 50% reduction and this purchase price applies to the group cap.
- ★ Other reimbursed management activities include hiring a contractor to do weed control or purchasing weed control equipment or materials such as seed mixes and fertilizer. Original receipts are required. **There will be NO reimbursement for herbicides and spray adjuvants that are NOT purchased through the Weed Board.**

## THE GROUP LEADER:

- ★ Is responsible for turning in all forms and original receipts on or before the work report deadline (October 7th).
- ★ Is responsible for distributing group funds.
- ★ Completes the application and returns it to the Weed Board (first come, first served).
- ★ Turns in WORK REPORTS no later than October 7, 2022. Failure to turn in work reports will affect future participation eligibility.

**Product pick up dates:** Thursday May 12<sup>th</sup> and Friday May 13<sup>th</sup> from 8:30am until 3:00pm. If you are not able to pick up on one of these dates, please contact the Weed Board to make other arrangements.

Pick-up will be at the Weed Board Shop off First Avenue, 1002 W. First Ave., behind the garage building. Sorry **NO credit or debit cards**, cash or checks only.

\* Applicants with property on the Pend Oreille River desiring aquatic weed control have additional funding opportunities. Please plan on attending the **Annual Aquatic workshop**, July 15, 2022, call or email Loretta Nichols for more information at (509) 447 – 6908 or [lnichols@pendoreille.org](mailto:lnichols@pendoreille.org).

### Product Cost Comparison Chart

Milestone rate on most common weeds	5oz/acre	1 quart will treat 6.4 acres	\$ 6.09/acre
